

## A Quicker Path to Developing Your CFO Skills

# MEMBER SCHOLAR PLUS PROGRAM

### What is the Member Scholar Plus Program?

A professional development package that respects your time while increasing your value and the value of your business.

Our Member Scholar Plus program includes all the professional development opportunities our Member Scholars\* receive plus:

- A review and discussion of your CFO Readiness Assessment and current business challenges.
- A Personal Professional Development Plan based on the Assessment above.
- A monthly discussion with a CFO.University Coach to help you tackle your toughest problems.
- Access to your Coach during the month for issues that can't wait until the scheduled discussion.

### How to access the Member Scholar Plus Program:

**Step 1:** Visit [www.CFO.University](http://www.CFO.University) to determine if our development model fits you:

- [What Does it Mean to Be a Member Scholar?](#)
- [The Defining Attributes of a Successful CFO](#) - a four-part series
- Our Courses on [Accounting](#), [Finance](#), [Treasury](#) and [Leadership](#)
- Our [Tools](#) that help solve CFO-Centric issues through focused, big picture analysis

**Step 2:** Take the [CFO Readiness Assessment™](#) to measure the Four Pillars (four primary proficiencies) that drive the success of Chief Financial Officers.

*You will receive a personalized report tailored for you!*

**Step 3:** Join the program by clicking on the Member Scholar Plus option on our [Join Now](#) page.

**Step 4:** We will follow up with you to create your development plan and schedule our monthly calls.
